## Speaker

Sue was born and raised in the Illinois suburbs of St. Louis, MO and came to know Jesus Christ as her LORD & Savior as a result of a church plant. The youngest of four children, Sue's parents did not come to Christ as their Savior until Sue was two years of age. From that point on the focus of her home and life was to know Him and serve Him. Through the influence and encouragement of Sue's pastor and his wife, she grew in the Lord and dedicated her life to Him in full time service.

## God Never Moves Without Purpose or Plan

*Speaker: Sue McCarrell*

There are many people in today's world who seek the "secret to a happy life" and ponder the purpose of their life. Day to day living can be such a challenge. Many look at life through "Rose Colored Glasses" seeing things better than they really are while others see life with a "Glass Half Empty" instead of a "Glass Half Full" mentality seeing things worse than they really are.

In reality, God wants us to look at life through the "Lens" of eternity ~ the "bigger picture" so to speak. God's love and care for us cannot be measured by our circumstances or the circumstances of the world around us. Knowing Him with an intimacy that enables us to see Him at work in our personal circumstances and in the circumstances of the world we live in brings us to the realization that true joy ~ true contentment ~ true hope comes from knowing that "GOD IS ENOUGH" because the fact is.....

HE IS...

How do you view God in your world and the world around you? Where is your hope and joy anchored?

Come, as we learn more of Him ~ try to see the bigger picture ~ and learn to see His hand through every moment of every day feeling the "Oxygen" of hope refresh and restore your spirit.
